

Will Call Procedures

EK Beverage Company is able to release will-call orders to authorized persons **between 1pm and 3pm Monday through Friday**. If you are unable to pick up your order within the scheduled timeframe, please call the warehouse directly at 425-251-8389; however there is no guarantee that we will be able to release it outside this window.

Any payment terms apply when picking up a will-call order and customers noted as 'Due Upon Receipt' **will need to pay** the invoice at the time of pick up. Payment may be received by the EK Beverage Company Employee releasing the order. Please note that the fuel/delivery service surcharge **DOES NOT** apply when ordering via will-call.

Additions, subtractions and modifications to will-call orders need to be completed with the Corporate Office at 425-251-8810. Additions to will-call orders may not necessarily be able to be processed the same day.
